

His House Ministries Commercial Donation Request Letter

Greetings from His House!

His House Ministries is a non-profit; faith based Residential Recovery Ministry benefiting men and women who are seeking residential rehabilitation services for substance abuse and emotional disorders. His House was founded in 2007 as an outreach ministry of God’s Rolling Thunder Church in Woodstock, Georgia and provides a low to no cost treatment alternative to individuals who lack the resources to access commercial treatment options. By combing Biblical truth with the most recent evidence based medical and psychological practices His House is helping these individuals recover from their disease while they establish a meaningful and sustaining relationship with God.

Currently His House maintains 3 separate gender specific recovery residences and our new psychiatric addiction partial hospital program. The latter is located on 18 acres and consists of 5 buildings, four of which are in need of extensive remodeling. The facility is a former nursing home, ideally located and suited for our purposes, that has been vacant for 5 years. To date, we have remodeled and occupied one of the buildings where we are currently providing residential services. The need to complete this project is extremely urgent to meet the demand.

In order to provide these services His House must rely upon God and the generosity of those who share our burden for our patients and our vision for their healing and restoration. The task is great and ongoing. It is much greater in scope than are our resources. We have need of building materials which include lumber, sheetrock, tools, paint, windows, doors, hardware, HVAC materials and maintenance, electrical and plumbing, lighting and fixtures, carpet, floor and window coverings, furniture, insecticides, fertilizer, etc. In addition, our ongoing needs include food, clothing, underwear, bedding, hygiene supplies, cleaning supplies, and paper products including copier paper; ink jet cartridges and office supplies, dishes, cookware, and silverware, automotive products and apothecary. Any items used in the home or business are of value to our cause.

Although gifts of money and new items are always appreciated, we realize such are limited by their availability and certainly not expected. We are grateful for and make excellent use of items and materials which are perhaps unsellable because of damage, out of date, obsolescence, damaged packaging, over-stocking or any other reason deemed inappropriate for resale.

Your generosity helps to save and change lives. Because we are a non-profit 501c (3) Corporation your gift(s) are tax deductible and you may use this letter as a receipt.

Thank you for your consideration and/or gift(s) of the following items valued at \$ _____.
